Part III REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: The prior art of record does not teach, disclose, or suggest the claimed limitations of (in combination with all other limitations in the claim), a printer in which a plurality of types of recording material are usable, comprising an input section operable to automatically input type information representing one of the types of recording material, wherein each of the types of recording material has at least one printing region having a shape or a position which is different than the at least one printing region of other types of said recording material, the type information indicates a size and a type of recording material and the input section includes an information recording medium for storing the type information and a controller for designating a printing mode in accordance with the type information, and for printing an image to the recording material in accordance with the designated printing mode, the controller processing the image for laying out the image in the printing region in accordance with the designated printing mode as claimed in claim 4. Similar features are claimed in claim 13. Therefore, claim 13 is allowable over the prior art of record for the same reasons.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
